Safety

Avoid contact with eyes and skin. Wear suitable protective clothing and face protection.

Application Procedure

1. Read MSDS prior to use.
2. Read the safety instructions on label before use.
3. For disinfecting – Dilute 1 part Deosan to 20 parts water. Apply to sponge, mop or spray to surfaces needed to be cleaned. (discard diluted solutions after use)
4. Do not mix detergents or other chemicals

First Aid

- If poisoning occurs, contact a doctor or Poisons Information Centre (Ph: 131 126)
- If swallowed, do NOT induce vomiting. Give a glass of water.
- If skin contact occurs, remove contaminated clothing and wash skin thoroughly.
- If in eyes, hold eyes open, flood with water continuously for at least 15mins and see a doctor.
