

Product Data Sheet

Jiffy – Non-Scratch Surface Cleaner

A cream cleanser for all hard surfaces. Non-scratch formula and fresh lemon scented. Ideal for bench tops, stainless steel, porcelain, and all hard surfaces.

Product Description

Jiffy is a non-scratch cream cleanser for use in cleaning toilets, floor and wall tiles, tabletops and stainless steel surfaces such as sinks and preparation areas.

Jiffy cuts through the toughest of soils, with built in surfactants to leave all surfaces clean and shiny.

Characteristics

- White coloured cream or paste
- Odour: Eucalyptus
- Non Flammable
- pH 8 to 9
